FROM YOUR CHAPTER DIRECTOR

This is a very difficult article to write. I am sitting here, putting this together and fighting back tears. As the Chapter is aware (mass email was sent out prior to this), Rick and I will be leaving Pennsylvania at the end of this month and moving to Murrells Inlet, South Carolina. This was a very difficult decision to make, but everything just seemed to tell us that it's the right thing to do.

As many of you know, we have been looking for a house in a warmer climate for quite some time now. Florida never seemed quite right, there were many "cons" with Crossville, Tennessee and Murrells Inlet never seemed to have the house we wanted available for sale. Those we did like sold so fast we never had a chance to even go look at them. During 2020, and still even now, people are buying homes via the internet sight unseen. Rick and I aren't at all comfortable doing that, we had to see the house in person. We had all but given up when our realtor did a facetime walk-through of the house we have purchased. It was everything we wanted since we started looking.

We had intended to take our good old time with moving, planning for the fall or later to give us the summer to prepare our house here for sale. My niece and her husband found out about our move from my sister. We didn't know, but they were already house shopping. Long story short, they came to our house and made us a shocking and very nice offer, which moved up our timeline to pack and move.

This brings us to the Chapter. We will be stepping down as Chapter Directors effective the 1st of May (this is our last newsletter). **John and Glenda Leib are the biggest and best advocates of the Gold Wing Road Riders Association and PA Chapter K ever. They can't do this alone, and need and deserve help from the Chapter. Please, if you love this Chapter and the friends you have made along the way, step up and give them a hand.** Participate. Volunteer. It isn't hard at all. When I do the newsletter, I simply change the date on the front page, cut the articles from the previous month, paste in the new ones, and delete the dates/events that have passed. Your District Directors, Tim and Crystal Brakebill, do a fabulous job of their parts of the newsletter and again, it is simply a copy and paste item. After that, I do a "File-Save As" with the new month and year, and it's done. Saves the previous month and completes the new month. Takes just a few minutes, easy-peasy, especially if you do the cut/copy and paste as you get the articles. So again, please volunteer and keep Chapter K going.

We were members of GWRRA from 1986 to 1998 with PA Chapter B before moving to the Dillsburg area. We got out of GWRRA from 1998 to 2014 because "life happens", but we always missed the fun and the people. We tried other stuff – corvette club, mustang club, and the people just aren't as welcoming and friendly as GWRRA. We intend to take our Goldwing with us and enjoy some new riding places in South Carolina. We will miss all of you and if you are ever in the Murrells Inlet, South Carolina area, look us up! John and Glenda will have our contact information.

Take care, ride safe, and most of all, have FUN!
Rick & Vicki Larson

FROM YOUR ASSISTANT CHAPTER DIRECTOR

Hello everyone. As all of you have been notified that Rick and Vicki have bought a home in South Carolina, they are stepping down as Chapter Directors and Newsletter Editor. We will miss them and all they do. We wish them the best and hope everything goes well for them.

Glenda and I will be stepping up to Chapter Directors. **We will need lots of help.** As you know, we are the District Couple of the Year Coordinators. Glenda does most of this work. She is the computer master in our marriage and has her hands full with that position. So please be patient as I learn to do the newsletter. If someone is willing to fill any open position, please volunteer. The more members that help, the better and easier it will be for all. I know just enough to get into trouble with Groupworks, but I am working on it. I will take any and all help.

We will not be changing any planned events/activities to start. As we all know, things change due to the Covid-19 pandemic. I hope we all can get together soon without the mask and social distancing. **Again, please help so we can keep the Chapter going.**

Respectfully,

John and Glenda Leib

PA District Couple of the Year Coordinators and PA-K Assistant Chapter Directors

P.S. Below are some pictures from the Couple of the Year Fun Day. Our PA-K Chapter Couple, Dennis and Kitty Schardt, were in attendance.

FROM YOUR CHAPTER COUPLE

On March 13th, Kitty and I traveled up to DuBois for the Chapter Couple Fun Day. There were not that many chapters represented. I guess there are still people who are fearful about getting together in a group. Their choice. As you came into the room, you got shot with the electronic thermometer. Just like going to the Doctors.

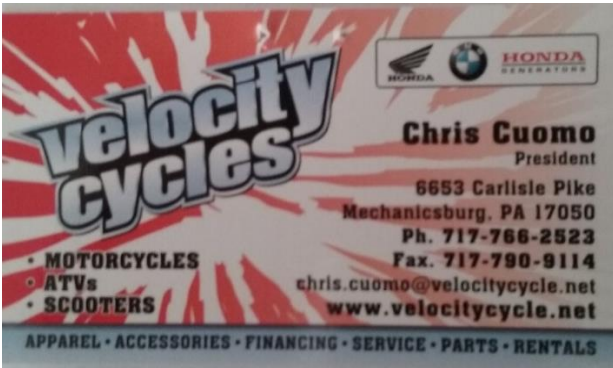

John and Glenda provided packets with wipes and some other items for what was needed during the meeting. A pen, some note paper, and parts to make a pinwheel. The pinwheel was frustrating for me as my fingers don't do so well with small parts anymore. You were asked to list goals for the year on one of the blades and items on the other blades as you thought of them.

Tim and Crystal presented a program on mental exercises to help keep your brain in good shape. Anything that makes you think will help. Various computer games, crossword puzzles, chess...I did know how to play that way back, about a half century ago. They did a bit of those visual things where there was a two in one drawing and you were to say what you saw. That part was fun. One I didn't see was the witch. The other person's nose in the drawing was the witches' chin. I could find the chin but couldn't put the rest of the face together. There were a couple of the ones that look like a fancy glass and then when you look more, there are two people who look like they are going to kiss.

The seminar was a little late as we forgot to wear our Chapter Couple medallions. In these crazy times with the Covid, it was nice to interact with other Wingers like it used to be. Maybe someday we will get back to that.

Kitty and Denny

P.S. The computer game that claims if you play it a half hour each day, you will get smarter? Don't work!!!

INFORMATION ABOUT GROUPWORKS AND ACCOUNT SET-UP

The first step is to access the Groupworks website at <https://app.groupworks.com/#/login>.

Scroll to the bottom of the page where it is underlined “Sign Up”, and click on that.

Follow the prompts to set up your login and password. When you have established those, you can check the box beside the words “Remember Me”, and all you will have to do after that is click on the red “Sign In” box; you won’t have to re-enter your login and password.

When you get to the “Channels or Passions” section, please only select motorcycling until you are more familiar with the system.

You can select how often you want to receive an email alert when something is posted on Groupworks. Under the Groupworks email digest, click it “ON”. We recommend selecting “daily if there is new content” so you don’t miss anything.

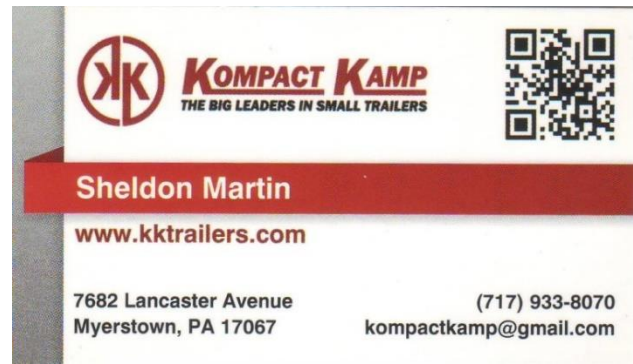

Please disregard the “Payments” section; this is FREE to every GWRRA member.

Once you have an account, please know that your name and email address can be changed only by you. If you make changes, you must notify the GWRRA home office at 800-843-9460 (Monday-Thursday) or email at customerservice@gwrra.org. This is the only way the change will remain.

If you have any questions, please don’t hesitate to call or email us.

Thank you,

Rick & Vicki Larson

**FOR IMMEDIATE RELEASE TO DISTRICT EDUCATORS,
DISTRICT DIRECTORS AND MEMBERS**

March 15, 2021

The GWRRA Rider Education Program Team continues to explore different ways we can better serve the Membership during our collective recovery from the unexpected challenges caused by Covid 19.

GWRRA Rider Education Program policy for any GWRRA Member in the Levels Program who's *last on-bike course was "Range Only"* requires their *next* on-bike course to be a "Full" course (with both a classroom and a range portion) to be eligible for level course fulfillment.

*Due to the continued lack of classroom space available to accommodate Federal, State and Local distancing guidelines, **temporarily**, any Member with a rider course expiration **on or after January 1, 2020** may renew their Level by participating in another Range Only class **until December 31st, 2021**.*

Because many of us may be starting to ride again after a year or more, this decision was made to make it possible for more Members to participate in the valuable on-bike skill practice necessary to ride safely and proficiently.

We do encourage those Members able to attend a Full Rider Course when offered to do so in support of your District's Rider Education Program and the Instructors who teach them. These courses are proven to be beneficial for all riders regardless of individual riding experience.

The RE Team posts all GWRRA Rider Education events submitted by Districts including rider courses and MEDIC FIRST AID (MFA) on the Association's event page: <http://qwrro.org/events/> where you can perform a search to learn what is available in your area.

We also suggest Members contact their District Educator for more information about what will be available throughout the year. Please take advantage of any courses and classes available to you.

Your District Directors

FROM YOUR PA DISTRICT DIRECTORS

Hello everyone,

Spring officially began on March 20, 2021 and we changed to Daylight Saving Time on March 14th. It seems like there is something else that needs to happen. Oh, I remember – encourage all the PA Chapters to host a class!

Lots of members have been asking for riding courses, Road Captain, Co-Rider and other classes. And, all these classes can be scheduled and taught, however, we need a location and for the riding courses, a range.

Arrangements are being finalized now for PA-I to host a Road Captain course on May 22nd, and a flyer will be out soon. Chapter Teams, please consider hosting a class and contact us with possible dates so we can schedule instructors.

If you are not sure you need a class to be current in the Levels Program, go to the District website, www.gwrrapadist.org and click on the **Rider Ed** tab. Click on **Rider Education Data Base** and follow the directions.

Member Login Help

- You must be a current GWRRA member to login.
- Username: Membership Number
- Password: Numbers in your address + Membership Expiration Date (MMYY)
- Example: 12 W. 6th Street. 12 would be used followed by your Membership Expiration Date.
- Example: If your Membership Expiration date is 01/15, then your password would be 120115.

Check your Member Information, Rider History, and Training Courses (History). Click on **All History** to see a list of the Rider Education classes you have taken. Hover your mouse over the class initials to see the class title (ARC=Advanced Rider Course, CRS=Co-Rider Seminar, RCC=Road Captain Course, etc.).

Again, we need your help to find locations and schedule classes. Give us a call to get started.

Ride Safe & Participate,

All our best,
Tim & Crystal
