Every Sunday when nothing else is scheduled, meet at Denny's  
( Flying J truck Stop, Middlesex, by Route 81) at 8:00am

Hello everyone

In June we had an Ice Cream ride to Hanna's ice cream shoppe in New Cumberland. There were 10 members and guest in attendance. Hanna's is a 1950 décor with lots of memories for all to see. The ice cream was very good with large servicing.

The chapter picnic and June gathering was held on June 19th. with 26 members in attendance. There was lots of good food and fellowship. After eating and the gathering games were played by all. Glenda & I want to thank all who came and help make it a success.

After the picnic, Glenda and I along with John and Wilda left to meet Chapter C for a ride to Kentucky to visit the Ark Encounter and Creation Museum.

July will bring more events to enjoy:

July 9-11: Chapter C campout

July 15-17: W.V. District Rally

July 17: Chapter R Gumball ride

July 21: CKF Breakfast, Front Street Diner, Harrisburg

July 25: Chapter K Gathering - 8am at Brothers Family Restaurant

August 28: Road Captains Course sponsored by PA-K at Mt. Zion Lutheran Church, Boiling Springs from 9am-2:30pm. Those taking the Road Captains Course are welcome to join PA-K for their Gathering and meal at 3pm.

August 28: PA-K Gathering at 3pm at Brothers Family Restaurant with meal to follow. Any questions, please call John L.

Hopefully we can plan a dinner ride (need a place and time).

Chapter Director  
John & Glenda Leib

**REMINDER:** July 10, 2021 Meet at Sarah's Creamery, Dover at 2pm for ice cream. See you there!

## **PA-K JUNK IN THE TRUNK RIDE**

**June 5, 2021**

What a great day for a ride! I would like to thank everyone who came out for the PA-K Junk in the Trunk ride. We had 7 bikes and one car for a total of 14 people. I do want to remind everyone that if you wish to join in our activities and decide to come in the car, you are always WELCOME. Safety is first and especially if it is a hot day.

We met at Tractor Supply in Dillsburg at 10am. We rode some back roads to get to Rt. 74 and our first stop was at Smitty's Soft Pretzels in Dover for a soft pretzel and some pictures.

After leaving Smitty's the back way, we rode Rt.74 to Dover and then proceeded to ride more back roads till we got on Lincoln Hwy. West. We were only on Rt. 30 for about a mile till we were at Martin's Potato Chips.

Only had to ride Rt. 30 a short distance after leaving Martin's Potato Chips and took more back roads to Snyder's of Hanover. John and I check to see if we could go around Snyder's building to Campbell's Snacks since they were next to each other. No such luck. They had the parking lot blocked off.

As you can guess when we left Snyder's of Hanover we stopped at Campbell's Snacks just a stone throw down the road. The unfortunate thing was that the outlet stores to Martin's, Snyder's and Campbell's were closed to the public at this time.

When we pulled into Campbell's parking lot a security car followed us in to where we parked. Oh no! What did we do wrong? The security guard was very nice and welcomed us to Campbell's and told us to take as much time as we needed.

There was a Rutter's a short distance from Campbell's. John and I planned this stop in our route for anyone who needed the bathroom, take a break, needed a drink, or whatever. Everyone wanted to get out of the heat and cool off. It was a nice day at the start with a breeze but as the day wore on, the temperature started to increase but we still had a breeze.

The 5<sup>th</sup> stop on our tour was Utz Potato Chips and the outlet store was open. It gave us another chance to get off the bike and get in the cool while filling our trunks with goodies.

Our last stop for the day was to be at Tropical Treat for food and/or ice cream. Here is where we ran into a problem. There was a barn fire and an accident on Rt. 94 North so traffic needed to be detoured because the road was closed. Major traffic jam. Almost like traveling in New York. It was next to impossible to keep the group together. We did stop a few times to regroup but before long we were separated again. Some went to Wendy's to eat, a group went to Cross Keys Restaurant and another group ended up at DQ in Dillsburg.

Overall it was a great day.

## **PA-K JUNK IN THE TRUNK RIDE**

### **Part 2**

Denny & Kitty said they would rent out space in their car for the goodies if you didn't have room on your bike. And for additional minimal charge would deliver to your house! What nice folks ☺.

### **A LOOK BACK IN TIME**

I'm enjoying reading the old newsletters and refreshing my mind of what happened back when. If I did not mention before, I am taking notes from 2015 PA-K newsletters.

Looking back here are some things we did in July 2015: Ice cream ride lead by Gary & Judy to Masseys in Carlisle and shirt color was blue. Curt & Penny lead a lunch ride to Raystown Lake and Brian & Sandy set up a mini golf at the Sports Emporium in Middlesex. We rode to Florry's afterward for ice cream/supper. Shirt color was orange. Rich and Wendy lead a ride after the gathering in July and we ended up in Mount Alto for ice cream at the Twin Kiss. A visit was made to the Green Dragon and afterwards we had lunch at Diener's Restaurant in Lancaster and a LONG leisure ride home. PA-K was at PA-Y kickoff gathering, visited PA-A, PA-D as well as PA-B. Here's a quote from George Wilson "I like to ride with PA-K in a group. It keeps me under control!" Remember George said that.....I didn't make it up. (Read August 2015 newsletter.)

The New England Rally was held in Lewiston, Main. Several of us attended the rally to support Rich and Wendy during the selection process for Northeast Region B Couple of the Year. They made Pennsylvania and PA-K proud and were selected as 2015-2016 Region B Couple of the Year. Their next step was to represent Region B at Wing Ding in 2016 in Billings, Montana.

Let's get back to riding, visiting other chapters, etc. and if you wish, bring back Chapter Pride by selecting a shirt color for each event, ride, etc. we participate in. Let John L. know your thoughts..

### **From the Chapter Couple**

Kitty and I took part in the Junk in Your Trunk ride and attended the Chapter Picnic. Because of the temperature we were in the car. At least we were there. It brought back memories of times past when people shook hands and gave hugs when they were breaking up after an event.

It is said that no man is an island. The Covid made us each an island and without the personal touch, life is depressing. We all need the interaction to be our best. It is like a pot luck stew. One person puts a couple of potatoes, the next person adds a chunk of meat. Next person adds some seasoning and so on. When done it is great. That is what makes the chapter great. Everyone adds something a little special and the result is more than each person on their own.

Kitty and Denny

**Wow!** All Chapters West at DuBois-Treasure Lake KOA was a great accomplishment! It had been well over a year since we were able to have a PA District event! About 150 people attended ACW. The weather cooperated and we all had a good time visiting with old friends and making new ones! There were excellent guided and unguided rides, food, games, and skits! People were hanging out together eating, scavenger hunting, talking, riding, and oh, did I mention eating? Gold Wingers like to eat, especially ice cream. There were two lines every time food was served to speed things up. There were seventy-six baskets for the Chinese auction. Gerry and Bonnie Van Art (PA Senior District University Coordinators) presented a Co-Rider Class, which was well attended. Gerry and Bonnie Kerkeslager (PA District Educators) helped many members check on and update their Rider Education information. Additionally, many members picked up their pins and patches for the Rider Education Levels program. Gerry ran out of some of the pins and patches and will order more. Kudos and many thanks to PA-I (Wings in the Wilds) for all their hard work in making ACW the event for all of us to enjoy!

By the time this article is published Wing Ding 42 at the Springfield Expo Center in Springfield, Missouri will be well underway! This is another opportunity have fun and interact with our GWRRA friends from all over. Hopefully, everyone will use this time to learn inventive ideas from other members on how best to recruit new membership. The GWRRA is only as strong as its membership. Your participation will make Wing Ding 42 a successful event.

Summer weather is finally here, and I see that most of our Chapters are out and riding again. This is great. Be sure you visit other Chapters with enough members to get Roll for the Dough points for your Chapter. And while you are at it, be sure to talk with other riders and motorists when they show an interest in your motorcycles. Very often people look at us riding and wish they were riding instead of doing what they are doing. I know when I am out mowing the grass on my mower and I hear a motorcycle going down the road, I long to be out riding. At gas stations, when you fill up or when you stop at restaurants and someone walks over to admire your motorcycle, they may be there in a car or truck but have a motorcycle at home. Talk with them, maybe they are thinking about buying a motorcycle. Anyone can be a prospective member. Be sure to carry a few GWRRA pamphlets and the free four-month membership flyers so you can hand them out. At every stop, display a GWRRA pamphlet and speak to people. Wear your Chapter shirts. Word of mouth communication with visual reinforcement (seeing the fun and comradery you group of rides are having) cannot be beat. People will see your enthusiasm. Invite them to participate in a Chapter Gathering, Chapter Ride or Chapter event. If they are not from your Chapter's area, if they are willing, get their email address or phone number and let us know and we can recommend a Chapter to them.

Remember part of the vision of GWRRA is "to increase (our) membership base by creating an atmosphere that provides fun, promotes safety, heightens knowledge, and by offering a full range of desirable benefits for its Members."

**Friends for Fun, Safety & Knowledge**

*Hello PA District:*

The GWRRA Rider Education Program (REP) is intended to make the motorcycle environment safer by reducing injuries and fatalities and increasing motorcyclist skills and awareness. The REP does not propose to have all the answers. However, our close-working relationship with the Motorcycle Safety Foundation (MSF), as well as additional GWRRA programs and studies, has provided a wealth of information for use in establishing a comprehensive Rider Education Program. Through Commitment, Education and Application, we can reduce our accident rate significantly. Listed below are several benefits of a fully implemented GWRRA Rider Education Program at the Chapter level:

- Increased rider knowledge
- Increased rider safety skills
- Prevention of accidents
- Reduced injuries
- Reduced fatalities
- Improved general public image of motorcyclists
- Enhanced enjoyment of motorcycle riding

The motorcycle community is already realizing many positive benefits from the GWRRA Rider Education Program. Through the efforts of the Rider Education Officers and participation of the membership and others, we will reach our goal of establishing the safest motorcycle environment possible.

We would like to challenge anyone not currently in the levels program to at very least join as Level 1 just a Commitment to ride safely. (If you want to continue on to level 2,3,4 that is great.) Please contact me to join, you can join and not get any pins or patches if you don't want them.

---

### **Level I: Safety by Commitment - The first big step to success!**

Level I of the Rider Education Program is also referred to as Safe Miles. It represents the commitment of the Rider and/or the Co-Rider to practice safe motorcycle operation whenever they operate their motorcycle.

Safety is a state of mind which can only be attained through total commitment. Every successful accomplishment begins with a commitment to reach the intended objective. This is true of the Rider Education Program and includes a promise to learn for the sake of Rider, Co-Rider, friends and family, and others on the road.

Though there is no mileage requirement to enter Level I, the commitment to safe riding is tracked by the number of accident-free miles since joining GWRRA. Accident-free miles are accumulated in 5,000-mile increments and may be updated at yearly intervals. Requirement: Verbal commitment to always ride safely. No cost to sign up. Patches available at \$6.00 per participant Receive: "Safe Miles" patch, Rider (or Co-rider) Rocker, and mileage pin.

---

### **Level II: Safety by Education**

Level II of the REP is also referred to as Tour Rider. It represents the commitment of the Rider and/or Co-Rider to be safer motorcycle riders by taking approved motorcycle riding courses at regular intervals.

GWRRA has chosen several educational training programs for the Riders and Co-Riders such as the MSF (Motorcycle Safety Foundation) programs, the United Sidecar Association course, the CSC (Canadian Safety Council) programs, and the GWRRA's Advanced Riding courses.

Completing these courses provides the foundation and skills for your quest to be a safe motorcycle rider. All recognized programs are taught by qualified and Nationally certified instructors.

For the Co-Rider, we have provided an excellent seminar and "Two Up" programs to assist in their role in the safety aspect of motorcycle riding.

Motorcycle education goes "hand in hand" with commitment. The "on bike" education by MSF, USCA, CSC and GWRRA for the Rider and Co-Rider and the "off bike" education designed specifically for the Co-Rider, provide a very effective approach to motorcycle safety. This is when a REP participant truly begins to understand what the Level I commitment means and sees the value in the program.

Requirement: Rider - a Certified Rider Course with 5,000 safe miles. Co-Rider - certified Co-rider Seminar or 2-up Rider Course. No cost to sign up. Patches available at \$5.00 per participant Receive: "Red Triangle" patch for either Rider or Co-rider signifying Level II participant.

---

### **Level III: Safety by Preparedness**

Level III of the REP is also referred to as Certified Tour Rider/Co-Rider. It represents the commitment of the Rider and/or Co-Rider to be prepared in the event of an accident to give aid and possibly save lives. This is done by being knowledgeable in First Aid or CPR and carrying a first aid kit on their motorcycle at all times.

It would be wonderful if we could achieve the coveted goal of zero accidents, however, we know realistically, accidents will happen. Because of this, it is important to be fully prepared to lend aid to unfortunate accident victims. It is important to always be prepared to save a life. Level III of the Rider Education Program was developed to deal with such circumstances by recognizing and encouraging proper First Aid or CPR training. CPR (Cardio-Pulmonary Resuscitation) has been used to save many lives. Being trained to render CPR or First Aid is a tremendous asset to those the REP participant will come in contact with daily.

Requirement: Current in Level II and have taken either First Aid or CPR training

No cost to sign up. Patches available at \$4.00 per participant

Receive: "Certified Tour Rider" or "Certified Co-Rider" patch.

---

### **Level IV: Safety by Enhanced Commitment and Preparedness**

Level IV is the most prestigious of the REP levels and is referred to as Master Tour Rider/Co-Rider. It represents the highest commitment of the Rider and/or Co-Rider to safe riding and preparedness. This commitment is shown by a demonstrated history of safe miles and current certification in both First Aid and CPR. These Master Tour Riders/Co-Riders are the finest example to every one of the highest commitments to safe motorcycle operation and preparedness.

Level IV of the REP, the Master Tour Rider, was designed for those special caring individuals who desire to "be all they can be" with regards to motorcycle safety. The requirements are more stringent than Level III and require a greater commitment. These individuals are caring, trained and prepared with the experience to back them up. It is realized Level IV is not for everyone, but for those who desire to be of greater service to their fellow man, it is the correct prescription.

Why desire to be a Level IV Master Tour Rider? It's a worthy goal. Being prepared to save a life is a high calling indeed! These individuals are shining examples to the rest of the GWRRA membership. Others aspire to practice the same commitment as displayed by those who have attained Level IV. For that reason, because these individuals are ambassadors to the members at all levels, GWRRA provides a special gathering to celebrate the Master Tour Rider commitment each year at the District Rally, Region D Rally and Wing Ding.

Requirement: Current in Level III for one year and have taken both First Aid and CPR training. Have 25,000 Safe Miles and must be committed to riding with "Proper Riding Gear" at all times.

Cost: \$35.00 for each participant (Black and Gold patch is available for another \$8.00)

Receive: "Special Triangular" patch with dark blue border and your individual Master number embroidered on it.

Remember,

### **ALL THE GEAR ALL THE TIME. (ATGATT)**

Most of all ride safe and have fun!

### **Your PA District Educators**
